INTEGRATION

# FREE IN-HOME CONSULTATION

**Priceless advice. No Obligation**

- Free Expert advice
- Personalized solution
- One contact every step of the way

See an Associate for details, visit  
**[www.ptibda.com](http://www.ptibda.com)** or call **1-800-548-2222**

## AN IN-HOME ADVISOR CAN HELP YOU:

Design your space with appliances that match your style

Find appliances that function flawlessly within their environment

Create a safe and connected home

Discuss integrating your home tech

Optimize your home office

Create a customized whole-home entertainment experience

Help to make your entertainment experience easy to use

Discuss ways to create a reliable and consistent network

## TO LEARN MORE OR SCHEDULE A CONSULTATION:

1. Sign up at a '**ptibda**' site, please visit **PtiBda.com** or call **1-800-548-2222**
2. The In-Home Consultation team will call you to schedule your free consultation at your convenience
3. Your aAdvisor will meet with you to discuss technology options that best fit your space & lifestyle, and will be available after the appointment for your questions

Free PTIBDA is limited to answers, advice and coordination; exclude cost of product/services, delivery, installation and/or repair; and is not available in all areas.
